

BCPS Magnet Programs High School Programs

Acting

This program allows students to work in a variety of performance settings, including traditional and black box. Guest artists enhance student experiences and allow for individual talent development in drama, comedy, and musical theatre. Several performances throughout the year allow students to showcase their talents to a wide audience. Previous experience, though not expert level, is expected for applicants. *(Program content and available resources may vary at each location.)*

-available at G. W. Carver Center for Arts & Technology (CCAT), Milford Mill Academy (MMA) and Patapsco High School and Center for the Arts (PHSCFA)
