

## BCPS Magnet Programs High School Programs

### Design & Production

This program provides students with opportunities to engage actively in live stage production work with sound, lighting, set design and construction, costume design, and theatre/stage management. Previous experience, though not expert level, is expected for applicants. (*Program content and available resources may vary at each location.*)

*-available at G. W. Carver Center for Arts & Technology (CCAT), Milford Mill Academy (MMA) and Patapsco High School and Center for the Arts (PHSCFA)*
