

BCPS Magnet Programs Elementary School Programs

S.T.E.A.M.

Students develop 21st century skills including communication, collaboration, critical thinking, and creativity in a rigorous program of learning that integrates BCPS' curriculum, S.T.E.A.M. (science, technology, engineering, arts, and mathematics), and computer science. In an engaging, hands-on, project-based environment, students develop a well-rounded understanding of the world through a multi-disciplinary approach focused on innovation and problem solving.
