Child and Family Therapy Clinic

Kennedy Krieger Institute

**Department of Behavioral Psychology
443-923-7508**

**Locations in Baltimore, Columbia and Anne
Arundel County**

<https://www.kennedykrieger.org/patient-care/centers-and-programs/child-and-family-therapy-clinic>

Offers group therapy for school aged children (grades K through 12). Our groups aim to improve children's social skills, peer/friend relationships, self-control strategies, ability to handle peer conflict and bullying, and management of emotions. These groups also include a parent support component which meets at the same time as the children's group. Groups typically meet once a week for 8-week sessions periodically throughout the year.

International School of Protocol

410-832-7555

**100 West Road, Suite 300
Towson, MD 21204**

www.schoolofprotocol.com

The International School of Protocol's training for adults and children with special needs focuses upon developing skills to encourage and reinforce appropriate social etiquette and communication skills. These programs involve hands-on participation through a variety of role-playing activities. The programs help the participants acquire confidence and build their self-esteem by teaching them how to recognize and apply appropriate social and communication skills, while making them aware of how their behavior affects others in social, academic and work-related environments.

**Jewish Community Center of
Greater Baltimore**
410-559-3506
3506 Gwynnbrook Avenue
Owings Mills, MD 21117

www.jcc.org

Provides appropriate social and recreational programs for children, teens and adults with disabilities. Our programs give participants the opportunity to interact with their peers, enhance self-esteem and improve social skills.

Learning and Therapy Corner
410-583-5765
1818 Pot Spring Road, Suite 100
Lutherville, MD 21093

www.ltcorner.com

The therapist will work with the child to develop his or her skills, practice his or her skills, and then appropriately use and generalize those skills across settings. Skills training may include but is not limited to initiating and maintaining social conversations, topic maintenance, making and keeping friends, negotiating conflict, expressing feelings, controlling anger or

excitement, dealing with worry, reading emotional or social cues from others, planning, prioritizing, organizing, and self-monitoring. The therapist will provide the family with suggestions to practice the skills at home between session.

www.augmentingability.com

Office locations in: Bel Air, Lutherville, Pikesville and Westminster.

Social skills groups are designed to meet recreational, social, behavioral, cognitive, physical, and emotional needs of individuals ranging in age from 3 to 12 years. Children are grouped according to age and functioning level. Groups meet weekly to address areas of need including, but not limited to: not dominating conversation, recalling/retaining information provided by a peer, relatedness to others, appropriately expressing feelings/recognizing emotions in others, following directions, attending behaviors/readiness skills, and more! Sessions will be led by a board-certified music therapist and will incorporate games and playing instruments into each session.

****Also offering social skills groups for teens and adults****
