

## BCPS Magnet Programs High School Programs

### Cosmetology<sup>‡</sup>

This program prepares individuals to care for and beautify hair, skin and nails. Students are instructed in the art and science of cosmetology as well as all aspects of the industry. Emphasis is placed on hygiene, safety and sanitation as well as State Board of Cosmetologists' rules and regulations. Related areas of instruction include skills in professional development, communication, marketing, human anatomy and physiology. Salon management is an integral part of the classroom and clinical experience. The 1,500 hour program includes classroom instruction, clinical experience, and the possibility of work-based learning experiences. The students are required to take the Maryland State Board of Cosmetologists' Examination, Practical and Theory, for licensure in order to become a Cosmetology program completer.

<sup>‡</sup> Students must earn a minimum of 1500 hours and take the Maryland State Board of Cosmetologists' Exams to complete MSDE Career & Technical Education (CTE) requirements in this program for graduation.
