

BCPS Magnet Programs High School Programs

Dance

This program emphasizes rigorous training in ballet and modern techniques, as well as jazz, tap, and musical theatre. Students develop skills through experiences in aesthetic education, dance composition, labanotation, repertory, choreography, creative expression, production, performance, criticism, and connections between dance and healthy living. Previous experience, though not expert level, is expected for applicants. *(Program content and available resources may vary at each location.)*
