Visual Arts

This program provides students with opportunities to explore their interests in graphic and traditional fine arts. Students develop their talents through the study of art history, drawing, painting, sculpture, photography, computer graphics, multimedia, or televideo. Students build a professional portfolio, which can be used to gain admission to post-secondary study or gainful employment as a working artist.

-available at G. W. Carver Center for Arts & Technology (CCAT), Milford Mill Academy (MMA), and Patapsco High School and Center for the Arts (PHSCFA)
