Literary Arts

This program allows students to develop originality and style in writing through serious reading, writing, thinking, observation, practice, and discipline. Throughout this four-year course of study, students pursue an enriched and sequential set of literary experiences in an atmosphere that celebrates the diversity of human perspectives, that promotes lively exchange of ideas, and that nurtures the development of each writer’s voice.

-available at G. W. Carver Center for Arts & Technology (CCAT), Milford Mill Academy (MMA), and Patapsco High School Center for the Arts (PHSCFA)
