

BCPS Magnet Programs High School Programs

Multimedia Communications

This program offers specialized pathways in:

Visual Communications – provides opportunities for students to communicate ideas in a variety of mediums through digital and graphic design, photography, and desktop publishing.

Mass Communications – allows students to work together to communicate information through television and radio broadcasting, video production, and journalism.

Both pathways include internship opportunities for seniors as well as parallel college enrollment.

- available at Randallstown High School (RHS)

Randallstown High School
