

BCPS Magnet Programs High School Programs

Teacher Academy of Maryland **

This program prepares students for a variety of careers in the education profession. The program consists of four high school credits that focus on teaching as a profession, human growth and development, learning theory, and curriculum and instruction. In their senior year, students demonstrating proficiency have the opportunity to participate in internships in elementary, middle, or high school settings.

* *Articulated college credit may be earned from the Community College of Baltimore County and other partner universities.*

‡ *Students may earn a minimum of four MSDE Career & Technical Education (CTE) credits for graduation.*

*-available at Eastern Technical High School (ETHS) and
Parkville High School Center for Mathematics, Science,
and Computer Science (PHS)*
