

## BCPS Magnet Programs High School Programs

### Vocal Music

This program prepares students for solo and ensemble performances in a variety of musical genres including opera and musical theatre. Course work includes vocal fundamentals and technique, sight reading, and music history, theory, and criticism. Students may also work with music technology, recording, and engineering. Previous experience, though not expert level, is expected for applicants. *(Program content and available resources may vary at each location.)*

*-available at G. W. Carver Center for Arts & Technology (CCAT),
